

PR-N3289

2 Mils, 4 Ounce

Surface Protection

Polyethylene Film

PR-N3289 is used for temporary protection of metals, building panels, appliances, electronics and automotive parts. This protective film eliminates scratches, scuff-marks and dirt on your finished products to ensure protection during delivery. PR-N3289 is ideal in roll forming applications and is all weather U.V. resistant for up to 30 days.

PR-N3289

2 Mils, 4 Ounce Surface Protection

Polyethylene Film

ECHOtape Protective Film offers a wide range of self-adhesive pressure sensitive films used for temporary protection of metals, building panels, appliances, electronics and automotive parts. Eliminates scratches, scuff-marks and dirt on your finished products ensuring that they are delivered to your customers - protected and pristine - the way they were meant to.

Storage & Usage Conditions

Store tape in its original packaging away from direct

sunlight and in a cool and dry area. For optimum performance, tape should be used within 12 months of date of shipment. Tape works best when applied to a surface that is clean, dry and free of grease, oil or other contaminants.

Technical Data

Carrier	Polyethylene Film
Adhesive	Acrylic
Total Thickness	2 mils
Carrier Thickness	1.88 mils
Tensile	5.5 lbs/in
Adhesion	4.0 oz/in
Maximum Temperature Resistance	140°F
Elongation	300% - Long / 500% - Trans.
Color	Transparent, Blue

The information cited is in good faith and has been established from sources held to be secure and reliable. The values listed are typical properties. Individual rolls may vary slightly from these values. All ECHOtape products are warranted to be free of defects at time of shipment. Many factors can affect the use and performance of a product in a particular application and the user must, by test or otherwise, determine suitability for purpose; Edelstein makes no representation or warranty, express or implied, concerning any application and usage of its products. If ECHOtape product is proved to be defective, the exclusive remedy, shall be for Edelstein to replace the defective product. ECHOtape shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including but not limited to, contract, negligence, warranty or strict liability.
